

We wanted to touch base and re-introduce myself (Paul Avery) as the General Manager for Kooler Ice, the World Leader in Automated Ice Vending machines.

I hope you all had a good time at the Car Wash Trade Show in Melbourne. I know that there were a lot of interesting new ideas at the event, and I am sure that one of those ideas was our Kooler Ice Vending Machine which I am sure that you would have seen.

At Kooler Ice we specialise in helping individuals like yourself create an additional revenue source for your business.

We offer a variety of solutions, from the smaller size storefront ice vending machines to larger stand-alone machines.

At Kooler Ice our goal is simple;

Helping you create that additional revenue stream for your property or business

ICE VENDING opportunity provides property owners:

- A cost-effective way to increase revenues at your current Carwash property.
- Increase traffic to your location for additional sales
- Differentiates your business (BE THE TALK OF THE TOWN)
- Create another income at your location

If you would like further information on any of our models please call or email me on
