

Energy rates just went up. Could we help yours go down?

Since 1 July, many Australian energy retailers increased their rates. Your business could now be paying too much for energy.

As the official energy partner of the ACWA, Make It Cheaper provides a free energy comparison service. You'll either find a better deal on electricity or know for sure you're already on a great rate. Win-win.

How much could your business save?

Call the Australian Car Wash Association (ACWA) Members Hotline directly on **02 8880 5521** or **Visit** the website to upload a recent energy bill **www.makeitcheaper.com.au/landing/acwa**
