

One Stop Carwash Equipment Partners with PDQ Manufacturing as Equipment Distributor in Australia

De Pere, WI – April 23, 2018 – [PDQ Manufacturing, Inc.](http://www.pdqinc.com), an industry-leading manufacturer of in-bay automatic vehicle wash systems, is pleased to announce the appointment of One Stop Carwash Equipment Pvt. Ltd. as a new distributor of PDQ vehicle wash equipment for Victoria and Tasmania states, Australia. Headquartered near Melbourne, One Stop is owned by Glen Gamble, who has more than 10 years of experience in the vehicle wash industry and an electrical engineering background.

“We are delighted to partner with One Stop Carwash Equipment to sell, install and support PDQ equipment in Victoria and Tasmania”, said Rob Lewis, International Sales Manager for PDQ. “PDQ has been selling in Australia for over 25 years. Glen and his company bring a wealth of industry knowledge and experience, along with a commitment to outstanding customer service.”

One Stop is based in Mornington, providing easy access to metro Melbourne, Victoria State and Tasmania. PDQ’s other regional distributors, TEAM (Queensland), Carwash World (South Australia, New South Wales and NT), Carwash Spares and Repairs (Western Australia), and Pacific Carwash Systems (New Zealand) continue to provide service to those regions.

“I believe honesty and communication with customers are the two most important parts of running our business,” said Gamble. “I am passionate about continuing my good relations with customers, selling, installing and servicing PDQ equipment.”
