

Car Washing 101

Prowash Carwash College

Get hands-on training to plan, manage, and grow your business.

Comprehensive training program designed to provide a solid education and thorough understanding of the industry, which will cover a broad range of car wash principles that is transferable to any type of car wash. **This one-day workshop is great for: Owners, investors, attendants and managers alike.**

This is what some attendees had to say...

"Provides a key understanding of operations and chemical performance and expectations of product"
Philip, Williamstown Car Wash

*"Wish it was 6 months earlier!
Great course and I have learned a lot!"*
David, Fresh Ride

"I learned the importance of improving my processes to ensure my wash retains a high standard"
Brendan, Stormwash

This one-day workshop will cover

- ✓ What's in your plantroom
- ✓ Importance of water
- ✓ Equipment types
- ✓ Carwash trends
- ✓ Soaps and waxes; and much more!
